

Dear 4<sup>th</sup> and 5<sup>th</sup> grade students and families,

**Join Us for a Night Swim!!!**

In an effort to create a special night for our 4<sup>th</sup> and 5<sup>th</sup> grade students and provide an extra opportunity for fitness, the physical education department would like to invite the 4<sup>th</sup> and 5<sup>th</sup> grade students to attend a pool night with classmates!

We ask that students come with an adult (who is welcome to swim or not) and come ready to swim with suits on! Unfortunately, due to the size of the pool and the locker rooms we ask that only 4<sup>th</sup> / 5<sup>th</sup> grade students and an adult attend this event and only on their specified class day. Locker rooms will be available for changing after swimming, but we ask that you not keep anything in there, as it will not be well supervised.

The following schedule will determine when your child's class is scheduled to attend! We recommend that everyone bring a towel, a change of clothes, and sandals for the pool deck!
